When do the challenges start?

Monday 6th April 2020

Challenges will be available every
Monday, Wednesday and Friday

How do I get in touch?

To send us your completed challenges, choose one social media platform, write to us but don't forget to **mention** or **tag** Sentinus in your video, photo or comments. From there we will be able to share and comment back on the challenge you have completed.

This is worthwhile as there are some wonderful prizes to be won!

Where can I access the challenges?

All challenges will be posted onto our social media sites – **Facebook, Instagram and Twitter**

If you do not have social media, you can still access the challenges via **email** through your primary school.
