Dogs on school premises

Dogs are not permitted on school premises. Whilst they may be family pets, some children are frightened of them and dogs can react to the large number of children at the start and end of the school day. There may also be a Health and Safety risk if dogs foul within the school. Thank you for your understanding.

REMINDER:
No Dogs on
School Property

Homework Club

Children who attend homework club will be assisted with the written part of their homework. Reading and the learning of Spellings and Tables are the responsibility of parents. Please ensure you sign your child's Reading record and Spellings & Tables book.

School Meals

We would like to remind you that school dinners MUST be booked in advance. This includes dinners for those children entitled to free school meals. If you require log in details to be re-issued, please contact the school office today.

We would very much appreciate your co-operation on this matter. Valuable time is taken up each morning trying to confirm dinner numbers for the day, ensuring that each child receives a meal. The office will be monitoring the situation over the next week and would like to assume all parents will fully comply.

Assembly Election

The school will be closed on Thursday 5th May due to the premises being used as a Polling Station for the Election. School will recommence on Friday 6th May.
